LIGHTED MERCHANDISE DISPLAYS FOR CUSTOM SERIES CABINETS

All models are constructed of stainless steel with 4" deep acrylic tier inserts for illumination. Each unit has UL Listed electrical components and super bright energy saving LED lights for long life - 50,000 hours minimum. On/Off switch and power cord located on the left or right option allows for adjoining units to create longer displays. The raised 2 tier unit has an illuminated front panel for use with Perlick Glass Merchandise display units (see page 62 for pricing). Select models now available with blue LED lighting.
